### IN THE LAW FIRMS

Attorneys and staff from Freeborn & Peters LLP helped to repair an elderly Chicagoan's Englewood home on July 12 as part of the firm's work with the nonprofit organization Rebuilding Together Metro Chicago.

The volunteers cleared the home of moldy floor tile, ceiling tile, drywall and unwanted belongings that had been affected by years of water damage in the basement.

Freeborn has sponsored Rebuilding Together community projects for the past 13 years. The organization's volunteers make free home and community center repairs for elderly, disabled and low-income homeowners and nonprofit organizations.
